

# *The Fastest Shooting High Power Rifle in the World!*

**Y**OU may travel thousands of miles, and spend as many dollars, to gain a single trophy. When the big moment arrives that will determine whether your quest is fruitless or not, it will be satisfying to know that your Remington will not let you down.

The famous Model 8 Remington Autoloading Rifle, described herein, gives you, more than any other rifle of any type or make, the most rapid operation with the least disturbances and interruptions between shots. This is accomplished by the elimination of all manual work of loading, cocking, and ejecting. Your job is to squeeze the trigger. And no other rifle in its class makes it so easy for you to do this . . . so easy, too, for you to hold on the target, no matter from what position you are shooting.

Loading, cocking and ejecting in the Model 8 are all done by recoil; your shoulder rejoices as a

result. Five smashing shots, faster than you can say it; each succeeding shot placed with greater accuracy than is possible with any other high-power rifle made. It must be obvious how invaluable is this asset in close, dangerous shooting, where nerves may be jumpy and life itself at stake.

The use of high-power cartridges is facilitated by the fact that the Model 8 is the only recoil operated rifle which locks the cartridge in the chamber until the bullet has left the muzzle. It prevents loss of killing power, delivers the full energy of the cartridge and provides the utmost safety.

The Model 8 is powerfully built to take punishment as well as give it. From butt plate to muzzle it upholds the Remington standards of excellence so zealously guarded for over a century.

And to insure long life to your Model 8 we suggest you use Remington Kleanbore Cartridges exclusively.

# Average Ballistics of Popular KLEANBORE Express and Hi-Speed Game Cartridges

Name of Cartridge	Weight of Bullet Grs.	Muzzle Velocity Foot Seconds	Muzzle Energy Foot Pounds	TRAJECTORY					Range for Accuracy in Yards	Penetration $\frac{1}{8}$ in. Pine Bds.
